Cars will enter into the parking lot from Parker Street. Turn right into the half circle and follow around. When you reach the shred truck, stop, take your boxes out, and empty them into the wheeled shred bin. You are required to wear a mask and take your boxes/containers with you then drive out into Hathaway Boulevard. You will not be able to stay and watch the paper be shredded. **LIMIT OF TWO BOXES!**

Volunteers will be around the perimeter of the drive to assist you with the traffic pattern and questions.
