

New Bedford, Let's Start Curbside FOOD SCRAP COLLECTION

PRE-REGISTER

FREE

**Starter Kit for
the 1st 100
participants!**

Reduce your waste by up to 30%! Turn fruit peels, bones, & food scraps into compost to grow more food. Pre-register to show interest & be notified of program start. A minimum number of residents must participate to start the program.

Free starter kits provided by the Greater New Bedford Regional Refuse Management District and the City of New Bedford. Each starter kit includes a cart, kitchen bin, and compostable liners.
